

This anti-oxidant serum helps promotes collagen synthesis & protects against UV damage to help restore elasticity to aging skin. Improves skin color & tone, reduces discoloration & help to brighten the skin. Apply to clean skin at night. Avoid sunlight. (Best applied with True Perfection Far Infrared Facial Massager & Serum Applicator).  
**Ingredients:** L-Ascorbic Acid (20%).

# Active “C” Serum

15 ml

FOR EXTERNAL USE

Avoid contact with eyes. If signs of irritation or rash appear, discontinue use & consult your dermatologist. Avoid Direct Sunlight. Store in cool & dry place. Keep out of reach of children.
