

True Perfection® Far Infrared Facial Massager & Serum Applicator

Refillable Applicator

Easy • Simple • Clean

The best Facial Massager & Serum Applicator on the market, vibrating at over 5,000 cycles per minute. Use Applicator to apply your favorite serum to face and neck while massaging it in with the **Far Infrared** ceramic ball activated by your own body heat for deep penetration. No need to use finger tips to apply.

Read instructions completely before use.

(Collagen Peptide Face + Neck Mask & Serums sold separately. Visit Website)
